# Securing a good working environment

In order to create new sources of jobs, based on the Urasoe municipal notice to create new sources of jobs, based on the Orasse intinicipal business location and employment policy, we promote the geographic potential our city holds in aim to attract more businesses and create avenues for new industries through cooperation between industry, government and academia. To make the utmost use of "Urasoe City Industry Promotion Center Yui no Machi"we will provide unified support based on the "Urasoe City Founding Support Project Plan" to those who wish to start a business, and

further improve employment opportunities for our citizens.

Also, based on an agreement with the Okinawa Labor Bureau, employment measures are taken by effective and efficient collaboration, to promote employment of women, elderly people and people with special needs. We will strive to advance "a society for all participants" to develop and secure personnel who contribute to the upgrading of local industries in Urasoe. At the same time, for business owners, we promote the use of government approved "parenting support business marks" so that we can actively work on creating a new workplace environment comfortable for all citizens. We will endeavor to spread the awareness of Okinawa Prefecture's certification system concerning next-generation certification mark (nickname: Kurumin) and work-life balance (harmony between work and life) for the benefit of all workers

# Supporting livelihoods and exchange,

promoting vigorous individuality and rich industry

Urasoe City is home to many companies due to its favorable geographic location and improvement of urban infrastructure. Especially Route 58 gathers famous companies within the prefecture, and plays the role of supporting the economy. On the other hand, there are many small businesses and it is necessary to solve various problems each company faces. To that end, we planned "Urasoe City Industry Promotion Vision" in collaboration with Urasoe Chamber of Commerce and Industry and local street associations.

We also encourage the implementation of joint projects and utilization of diverse subsidiess. In addition, the city has many local resources such as Urasoe castle ruins, Urasoe museum gallery and the West coast district. We are carrying out "Town tour walks" to introduce these historical and cultural resources to tourists. From introduce these historical and cultural resources to tourists. From now on, we will make use of these sightseeing resources and aim for further tourism promotion. Through the Urasoe City Tourism Promotion Plan formulation and tourism promotion activities, we will strengthen cooperation with various groups such as Urasoe City Tourist Association and promote industrial promotion through the

#### 支撑生活和交流,有活力的、个性丰富的产业振兴

浦添市因地理的好条件和城市基础的整备, 布局着很多的企 业。特别是国道58号处聚集着县内有力的企业, 担负着支撑县 全部经济的作用。另一方面,小规模经营者很多,各企业也有多 种多样的课题需要解决。为此,浦添商工会议所和街道会等联 合定做了「浦添市产业振兴理想」策略。又实施共同事业和促成 了多种多样的补助和助成的活用。

还有,本市有着浦添城址和浦添市美术馆,两海岸等的多种地 域资源, 实施把游客作为对象介绍历史·文化资源的「城市漫 步」。今后活用这些旅游资源,以更新的旅游振兴作为目标。 又通过制定浦添市旅游振兴计划和旅游推销活动等,强化与浦 添市旅游协会等各种团体间的联合, 用地域全部的力量促进产 业振兴。
